ACSM Assumption of Risk, Contract Agreement, and Registration

Congratulations on your decision to participate in our program! With the help of your coach and our qualified staff, you greatly improve your ability to accomplish your training goals faster, safer, and with maximum benefits.

As with any exercise program, there are risks, including but not limited to, increased heart stress and the chance of musculoskeletal injuries. In choosing to participate in this program, you agree to assume responsibility for these risks and waive any possibility for personal damage. You also agree that, to your knowledge, you have no limiting physical conditions or disability that would preclude an exercise program.

A physician's examination is required to all participants if appointed by staff. By signing below, you accept full responsibility for your own health and well-being and you acknowledge and understand that no responsibility is assumed by Sarah Fechter, Sarah Fechter Fitness, LLC, or any or all Sarah Fechter Fitness employees or representatives.

Please place an X next to any of the ACSM's coronary artery disease risk factors that pertain to you. I understand that Sarah Fechter Fitness requires a medical clearance for anyone with more than one of the following risk factors.

- _____ **Family History:** Myocardial infarction (heart attack), coronary revascularization, or sudden death before 55 years of age in father or other male first degree relative (brother, son), or before 65 years of age in mother or other female first degree relative (sister, daughter)
- _____ **Cigarette Smoking:** Current cigarette smokers or those who quit within previous 6 months.
- _____ **Hypertension:** Systolic blood pressure ≥ 140 mmHg or diastolic ≥ 90 mmHg, confirmed by measurements on at least 2 separate occasions, or on anti-hypertensive medication.
- _____ **Hypercholesterolemia:** Total serum cholesterol > 200 mg/dl or high-density lipoprotein cholesterol of < 35 mg/dl, or on lipid-lowering medication.
- _____ **Impaired Fasting Glucose (diabetes mellitus):** Fasting blood glucose of ≥ 110 mg/dl confirmed by measurements on at least 2 separate occasions.
- _____ **Obesity:** Body Mass Index of ≥ 30 kg/m² or waist girth of > 100 cm
- _____ **Sedentary Lifestyle:** Persons not participating in a regular exercise program or meeting the minimal physical activity recommendations from the U.S. Surgeon General's report (accumulating 30 minutes or more of moderate physical activity on most days of the week)
- _____ **I have none of the above listed Risk Factors**

If you checked more than one of the risk factors above your physician must fill out and sign the Physician's Approval form located in the new client packet prior to beginning your training sessions.

By signing below I verify that I have read all of the above statements and the information I have provided is accurate.

Declaration:

I have read and fully understand the questionnaire and confirm that, to the best of my knowledge, the answers given by me are correct and accurate. I know of no reason why I should not participate in any physical exercise or any such activity suggested to me by Sarah Fechter. I agree to notify Sarah Fechter of any future changes to the above answers before continuing exercise. I acknowledge that any suggestions from any such employee or representative regarding exercise, nutrition, and/or healthcare are neither diagnostic nor prescriptive.

Waiver Release:

I hereby release Sarah Fechter, Sarah Fechter Fitness LLC, Heritage High School, Saginaw Township Parks and Recreation, Saginaw County Parks and Recreation, and their assistants, interns, members, officers, directors, employees, representatives, and assigns from and against any and all liabilities, claims, action, cause of actions, and/or damages from or relating in any way to any injury or other damage I may sustain while testing, preparing for, or otherwise participating in or following, any stretching, aerobic, strength training, physical exercises or other activities or recommendations while participating in this exercise program.

I understand that I may be required to perform a physical assessment and/or complete several questionnaires with a personal trainer, fitness specialist, or other assigned professionals prior to participating in the program. I acknowledge that all of the information provided by me has been true and complete. In addition, I acknowledge that all of the prior testing and/or questioning were undertaken solely for informational purposes. Testing, questioning and/or the results, nor the personal fitness program prepared for me, declare or otherwise affirm my fitness ability, or lack of fitness ability, for participation in the program.

Sarah Fechter Fitness COVID-19 Risk Informed Consent &

Liability Release Waiver

I understand that the novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. I further understand that COVID-19 is extremely contagious and is believed to spread by person-to-person contact; and as a result, federal and state health agencies recommend social distancing.

I recognize that Sarah Fechter Fitness is closely monitoring this situation and have put in place reasonable preventable measures, aimed to reduce the spread of COVID-19. However, given the nature of the virus, I understand there is an inherent risk of becoming infected with COVID-19 by participating in group fitness.

I hereby acknowledge and assume the risk of becoming infected with COVID-19 and I give my express permission for Sarah Fechter Fitness, all staff and employees, to proceed with the same.

I understand, even if I have been tested for COVID-19, and received a negative test result, the tests in some cases may fail to detect the virus or I may have contracted COVID-19 after the test.

I understand that, if I have a COVID-19 infection, and even if I do not have the symptoms for the same, proceeding with elective group fitness leads to a higher risk of COVID-19 complications.

I understand that exposure to COVID-19, before during or after group fitness, may result in the following: a positive COVID-19 diagnosis, extended quarantine/self-isolation, additional tests, hospitalization that may require medical therapy, intensive care treatment, and possible need for intubation/ventilator support, short-term or long-term intubation, other potential complications, and the risk of death.

I understand that COVID-19 may cause additional risks, some of many of which may not currently be known at this time, in addition to the risks described herein.

I understand all the potential risks, including but not limited to, the potential short-term and long-term complications related to COVID-19, and I would like to proceed with my decision to participate in group fitness at Sarah Fechter Fitness.

By signing below, I release Sarah Fechter Fitness from any and all liability for unintentional exposure or harm due to COVID-19.
