Sarah Fechter Fitness COVID-19 Risk Informed Consent & Liability Release Waiver

I understand that the novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. I further understand that COVID-19 is extremely contagious and is believed to spread by person-to-person contact; and as a result, federal and state health agencies recommend social distancing.

I recognize that Sarah Fechter Fitness is closely monitoring this situation and have put in place reasonable preventable measures, aimed to reduce the spread of COVID-19. However, given the nature of the virus, I understand there is an inherent risk of becoming infected with COVID-19 by participating in group fitness.

I hereby acknowledge and assume the risk of becoming infected with COVID-19 and I give my express permission for Sarah Fechter Fitness, all staff and employees, to proceed with the same.

I understand, even if I have been tested for COVID-19, and received a negative test result, the tests in some cases may fail to detect the virus or I may have contracted COVID-19 after the test.

I understand that, if I have a COVID-19 infection, and even if I do not have the symptoms for the same, proceeding with elective group fitness leads to a higher risk of COVID-19 complications.

I understand that exposure to COVID-19, before during or after group fitness, may result in the following: a positive COVID-19 diagnosis, extended quarantine/self-isolation, additional tests, hospitalization that may require medical therapy, intensive care treatment, and possible need for intubation/ventilator support, short-term or long-term intubation, other potential complications, and the risk of death.

I understand that COVID-19 may cause additional risks, some of many of which may not currently be known at this time, in addition to the risks described herein.

I understand all the potential risks, including but not limited to, the potential short-term and long-term complications related to COVID-19, and I would like to proceed with my decision to participate in group fitness at Sarah Fechter Fitness.

By signing below, I release Sarah Fechter Fitness from any and all liability for unintentional exposure or harm due to COVID-19.
